NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments so having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Oath of Allegiance.

I, John A. Hester, do solemnly swear (or affirm) that I have never voluntarily borne arms against the United States since I have been a citizen thereof; that I have voluntarily given no aid, countenance, counsel, or encouragement to persons engaged in armed hostility thereto; that I have neither sought nor accepted nor attempted to exercise the functions of any office whatever under any authority or pretended authority in hostility to the United States; that I have not yielded a voluntary support to any pretended government, authority, power, or constitution within the United States, hostile or inimical thereto. NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, and all the circumstances under which the disease occurred, or disease originated or appeared; the service, or situation of the soldier at the time the injury was received or the disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts in a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of any person having such knowledge, will be appended—the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care is taken to state the degree of disability—as *1*, *2*, &c.—to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of an arm or faculty, or affects his health, strength, activity, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his personal opinion of the cause or origin of the disability. The case of discharges by Medical Inspectors, the inscriber will state that the "discharge was given by order of the soldier, after a personal examination, and a statement of the nature, degree, and origin of which are described in the within certificate."

Par. 1200 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, take particular care in all cases that have not been their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall a certificate be given until after sufficient time and attention to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the company commander, or other officer commanding the company, and sent by him to the surgeon in charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward it, with this, to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channels, to his division commander, or, if the troops are not in a division, to his corps, department, or other commander to whom the authority to discharge enlisted men may be delegated.

These certificates, after having received the action of the authority to which they are required to be sent, will be forwarded through the same channel to the regimental post, or other commander, who will, if the discharge is authorized by the proper authority, sign the certificate, and forward it, with proper final statements in duplicate, and forward them, by express direct to the Adjutant General United States Army, Washington, D. C., they will not under any circumstances be sent into the hands of the soldier.

ARTICLES OF WAR

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, shall be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the command of the regiment. Final statements of pay, clothing, &c., shall be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186-." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier, not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council, and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186-."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him. One copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *f. f. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1260 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, degeneration of the urinary organs, epithelium, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company. One copy will be sent by him to the surgeon, who has charge of the hospital where the soldier is sick. The surgeon will then fill up and sign the surgeon's certificate and forward it, as per instructions, to the regimental, detachment, or post commander, who will forward it to the division commander, or to the proper authority, as directed in the instructions. The proper authority will forward it to the Adjutant General's Office, or to the proper authority, as directed in the instructions.

These certificates, after having received the action of the highest authority to whom they are required to be sent, will be returned to the company commander, or to the proper authority, as directed in the instructions. The proper authority will forward it to the Adjutant General's Office, or to the proper authority, as directed in the instructions.

July 24th 1862

My opinion of the matter
involved herein has been and
is similar to Col. Brantlett's
but it having been decided
otherwise by competent au-
thority, and not deeming that
any sufficient reason why
Col. B. should resign and
not being willing to lose the
services of a valuable offi-

24th July 1862.

It strikes me, Col. B.
is disposed to make
a great bundle out of
a very small cause.

The details in question
involve no constitutional
rights, therefore
none, of either the
Army or citizens.

I have any infor-
tion the more the
details have been
referred to the
authorities, and if the
matters be changed

a vital question of Right, I have reluctantly
determined to resign the Command entrusted
to me.

The Constitutional and legal rights
of the Soldier are as sacred as that of the
Citizen, by becoming a Soldier he does
not cease to be a citizen. - While battling
for the preservation of the Constitution,
Success cannot in my judgment
compensate for the violation of its
provisions. - As a part of my
Command has been taken from me, by
detail and transferred to the Volunteer
Service of a different State and in
a different Arm of the Service, for an
indefinite period, and the right to do
so has been affirmed; I cannot with
my views of the Right, Conscientiously
retain the Remnant of Command
subject to the principle, so asserted,
exercised & affirmed. - I state these
reasons briefly and only because they
constitute the basis of my action; and
because they are required by law
to be stated: I do so with all
due respect to the Commandants whose judgment
affirms a different view.

I hereby tender my

My reasons for this step result
from the following facts: —

On the 11th May last, in the field before
Corinth, under an Order emanating from
Division Head Quarters, a portion of the
men of my Command were "detailed"
"to serve with batteries", "for a temporary
purpose."

On the 1st day of June, after the evacuation
of Corinth, "the temporary purpose", having
as I supposed ended, I made request in
writing, to have these men restored
to my Command. — This was refused.

Again on 21st June at Tusculum
Ala. I repeated the request; and was
again refused.

On 24th June I forwarded my protest
against having men of my Command —
Kentucky Infantry Volunteers — transferred

for an indefinite period, to a different Arm
of the Volunteer Service from another State,
as violation of the Constitutional rights of
Officers & Soldiers of the Volunteer Service;
And "for the third & last time", requested that
the men should be returned to their Regt.

This Request was refused. - The protest
having been forwarded to Hd. Qrs. of the Army
of the Ohio, "the ^{Right} to make this detail" was
"affirmed"

Having reviewed the whole question,
with a hope, to conform my views ~~practicable~~
upon this vital question of Right, to those
of my Commandants; and thus avoid
a conflict between "obedience to Orders,"
and my sense of Constitutional & legal
Right, I am constrained to hold with
a more fixed judgement the opinions
at first adopted on this question.

I am thus placed in the unpleasant
position, of having to obey an Order
in direct Conflict with my clear
Conviction of Constitutional and
legal Right; or to disobey "The
Orders of a Superior Officer"

As the only means left me of
avoiding this dilemma, resulting
from this difference of opinion upon

Lt Col Wm. T. Scott
Commandg 3rd Ky Vols.

I hereby tender my resignation
as 2nd Lieutenant Co H: 3rd Regt Ky Vols. -

My reasons for so doing are that the
disagreeable relations between the Captain & myself
fomented by two brothers-in-law of the Captain;
render it impracticable to get along with that
harmony and concert of action so essential to
the good of the Command.

I intend to re-enter the service
immediately, but in a different Command,
should my resignation be accepted.

Respectfully

William L. Bramlette

2nd Lieut Co (H:) 3rd Ky Vols

I recommend the acceptance of the resignation
of Lt Bramlette, I am of opinion from information
which I deem reliable that he is so disagreeably
situated that it is due to himself to resign - and
would be to benefit of the service

he is in every respect totally unfit for duty. He was
wounded in the left arm by a *Minnie* ball injuring
the brachial artery and nerve, also in the right fore
arm, the ball striking ^{the} radius. He is disabled in both
arms, and is not able to travel.
And that, in consequence thereof, he is, in my opinion, unfit for duty. I further declare my
belief that he will not be able to resume his duties in a less period than *Thirty days*

I made application
through you, on the 29th ultimo, for a leave of
absence for 30 days, for the purpose of hunting up
the absences from my Company, and attending to some
private business of my own; but the application was
returned, with the comment by Maj. W. H. Fiddell
that "the General Commanding has no power to
grant the leave". I therefore in consideration of
having been in the service since the 1st Oct. 1861,
and never having missed a single day's duty, from
sickness or any cause whatever, must respectfully
and earnestly request that it be ordered to Regt. to
bring up my absences, and attend to any other duties
that you may see fit to entrust to me, that will en-
able me to give a few days to my business that has
been too long neglected. - I do not want to quit the
service, or be absent from my regiment, when a ge-
neral engagement comes off, and hope if consistent
with the public good, I may be ordered to Regt. as requested,
& return in time to render my mite towards crushing
our Country's enemies. -

Sir

I most respectfully ask a leave of absence for Twenty (20) Days, for the following reasons. - I am Administrator of my Father's Estate, and for some two months the Enemy have had possession of the property, and I fear have badly used it, at least I should like to see to its safety, as there is no one who can get to attend to it for me. - I have been in the service of the U. S. since the 1st of October 1861, and have never been absent from my Regiment a day, or missed a march or engagement in which it participated. And if consistent with the good of the service, I would like exceedingly to have a furlough for the time above specified.

Sir

I have the honor
to very respectfully ask through you for a leave
of absence for twenty days for the following reasons

I am the Administrator of my Father's
estate, and my absence from home with the Army
since the summer of 1861, has prevented me from
giving it my attention; and it is now in such a
condition from my neglect, that it will require
my personal attention to set matters aright.

I am also suffering greatly with my
teeth, and unless I can have them filled
very soon, will certainly lose three or four of them.

For these reasons I earnestly request, if con-
sistent with the public good, that the leave asked
for may be granted, as they are matters of very
serious importance to me.

Sir

I write to say that A. P. Brown
2nd Lieut 3rd Regt Ky Vol Infantry be ordered to his Regt
On the morning of the 24th Dec 1862 when our Brigade
engaged the enemy near La Vergne, & Brown
left his company and Regiment without authority from
any one. The Regt stayed one day at Stewart's Creek but
Brown did not report himself to his company
commander, the Commander of the Regt or the Surgeon
who stayed in the rear with the Train. When the Regt went
into the fight on Wednesday Dec 31st 1862, Brown was
still in the rear with the Train never having reported
himself. On Thursday January 1st 1863 Brown
returned to Nashville throwing away his overcoat and
cutting off his shoulder straps by the way, reporting
that he had joined the Regt during the engagement and
that the Regt had broke and run and that he not being
well could not keep up with it.

Lieut Brown has in some way gotten a Commission
at the Cavalry Barracks in Nashville, and refuses
to obey my order to resign his Commission.

All of which is respectfully submitted

Respectfully Your Obedt Servt
